ICE MELT

Larchmelt Premium Ice Melt with CMA

Our own special premium blend, melts down to -20° F. Remains active for 24 hours, pre-applying saves labor & time, safe for pets and landscaping, green non-staining color. Larchmelt is available in two forms, 50 pound bags and 10 pound shaker jugs.

Inferno Ice Melter with CMA

Can melt down to -22° F, remains active for 24 hours, pre-application capability, non-staining USDA approved coloring, easy on concrete, safe on vegetation.

Meltco-Treated

Meltco Treated de-icer is one of the most economical products on the market. This unique formulation has been designed to quickly and effectively de-ice and anti-ice variety of surfaces.

PUSH SPREADERS

Larchmont supplies walk behind Push Spreaders. Walk behind spreaders are ideal for distributing ice melt for both residential and commercial jobs.

SHOVELS

Larchmont stocks a wide variety of Snow Shovels and Roof Rakes. Various sizes and styles are available to include both flat and scoop push shovels, with wood or fiberglass handles. Our major brand shovels are Garant and Seymour.

WOOD STAKES

Quality wood stakes are superior to other distributors for grade stakes. Bundles of 25.
